I haven't known you long but your really nice and sweet Don't mess around too much this summer.

Paraclete High School

42145 NORTH THIRTIETH STREET WEST
QUARTZ HILL, CALIFORNIA 93534
WHITEHALL 3-3255

My Dear Seniors:

If I say I am glad to see you leave our High School, it is not because I will not miss you. All of us here, teachers and students, will miss you. You have contributed much to the school, spiritually, intellectually, and socially. The school retains forever something of your personality as a class, and in the future will share the taste of your success and failure.

But now is the time for your departure. A time in which you take completely to yourselves the task of being human--which means you must make choices.

To choose well, you must choose to live, to love, to work and give, to keep faith and hope alive. Each choice is powerful. Each choice is challenging. Each choice is creative and ennobling. Each choice is yours alone.

No, not yours, it is also the choice of the Spirit, the Paraclete, who inspires you and guides you to be the most noble of men, the most compassionate of women.

He will never fail you. All of you keep faith with Him, then you will never fail yourselves.

I can wish nothing greater for you.

Faith is an Engagement

Faith in Jesus Christ has been proved to be reasonable and justified. Thus it would be unreasonable to refuse this. In faith we listen to the Person we have faith in.

There are two kinds of faiths. One is purely objective, where my life is not affected. There is another kind of faith where I am engaged to follow my judgement. To grasp the Word of God we must engage with our whole being. There is a union with God in faith. Therefore we lay our life in the hands of God.

Like Abraham with Isaac we must be ready to sacrifice anything for God. We must be with Christ to come into His kingdom. To have an experience with God we must have an experience of love.

Faith is an Encounter

When Christ calls us to Him we must follow. God gives us freedom, while trying to make us reach the right answer. Thus God does not take away from our freedom as He helps us. No one can see Christ in the true light unless God the Father helps him to. But God's rewards or punishments would be meaningless without man's free will. In this way God offers His grace to help us make the right decision with our free will.

God wants all men to love Him and live with Him. The door to this is to pray. To pray is to unite with Jesus Christ. To sin is redrawing from God.

The encounter between God and men must go on for all time. Man's life is a continuous encounter with God.

Saint Leonard Murialdo

1828 - 1900

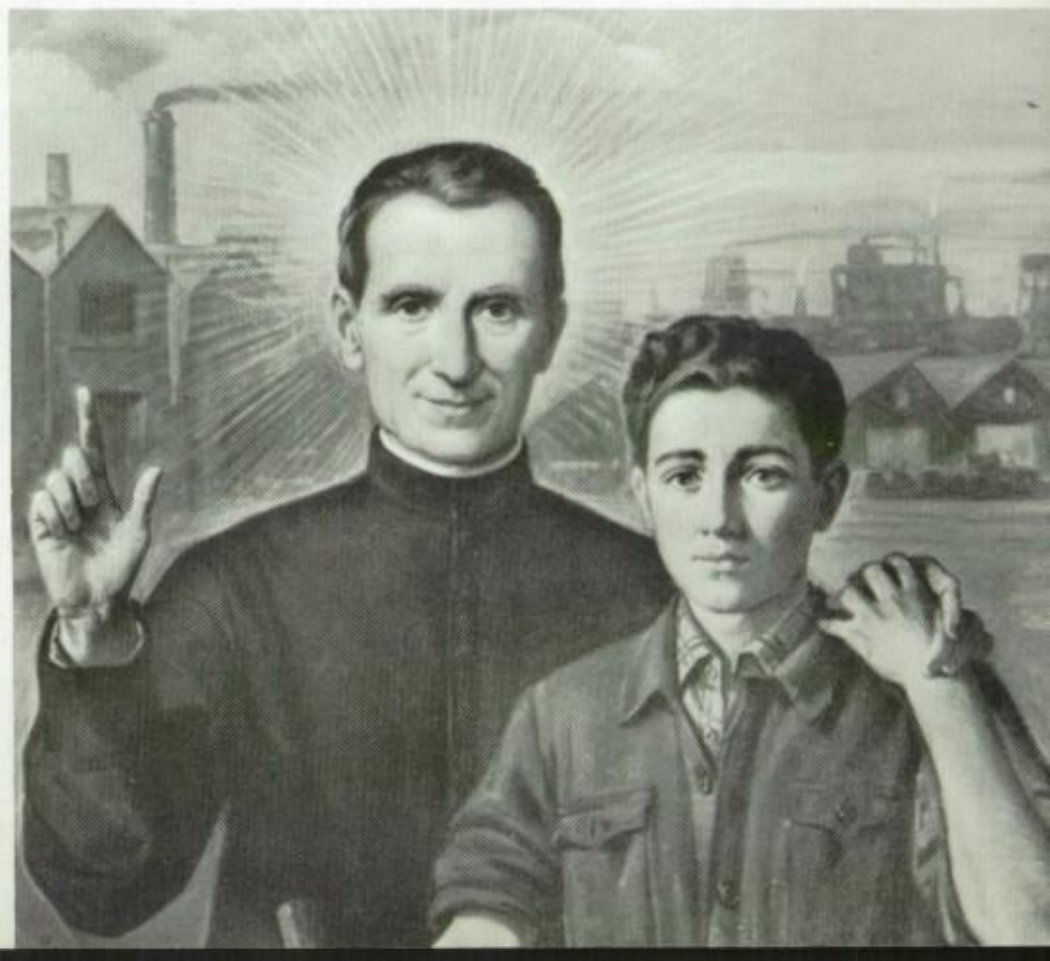
The FATHERS OF SAINT JOSEPH, who have been teaching at PARACLETE HIGH SCHOOL for the past two years, are both proud and happy that on MAY 3, 1970, Pope Paul VI canonized their founder and officially enrolled the name of LEONARD MURIALDO in the list of the Saints of the Church. This means that he is worthy of being followed and imitated, especially in his CHARITY, HUMILITY, and untiring zeal for the Christian education of youths.

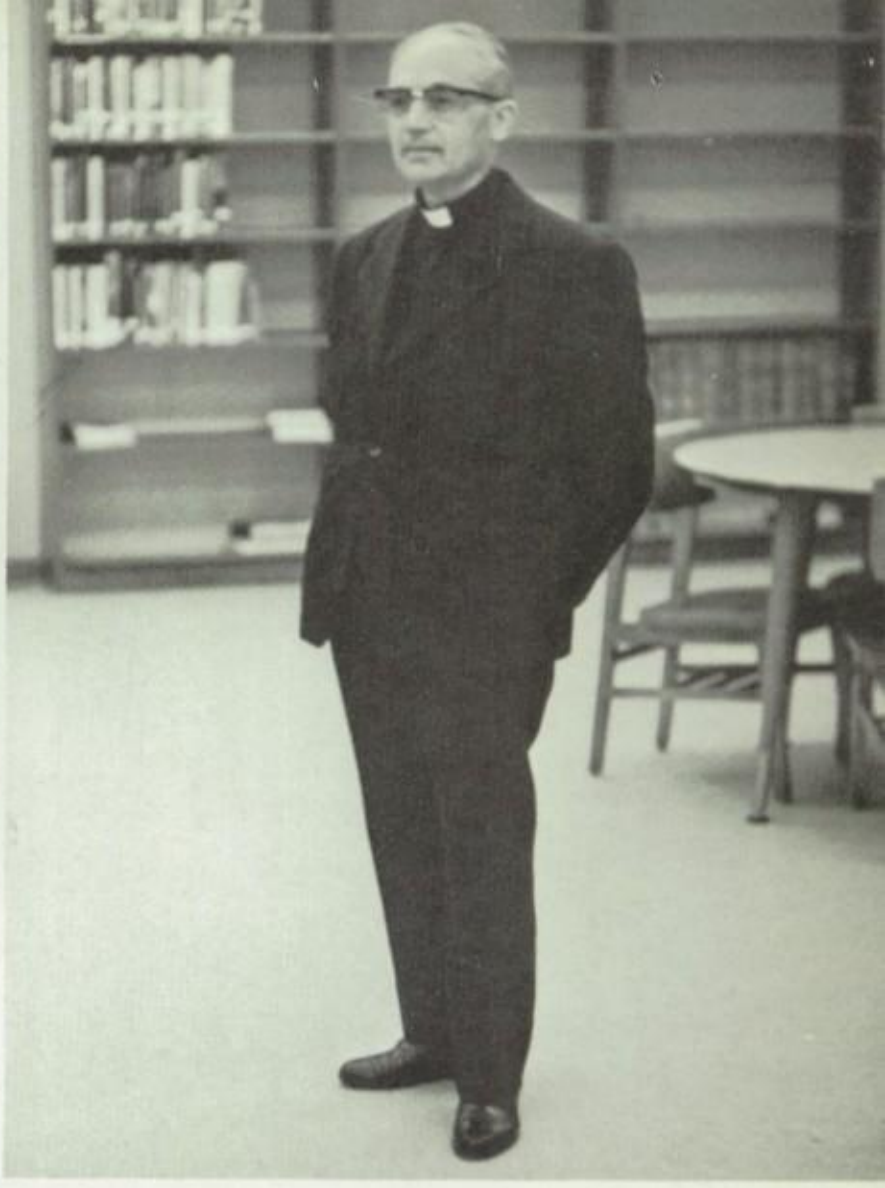
The FOUNDER of the Congregation of ST. JOSEPH

APOSTLE OF YOUTH, A TRULY MODERN SAINT

LEONARD MURIALDO
A TRULY NEW AND MODERN SAINT

Leonard Murialdo is a new saint, a new and modern saint, not only because he was recently and officially recognized as such, nor because of his vital statistics, but, more, because of his up-to-date message, and the fresh and modern facets of his sanctity. Our time is one of social transformations and upheavals which present social problems requiring solutions by today's Christians and especially by perfect Christians—the saints. And Murialdo is truly a saint of our times.





Very Rev. Vincenzo Minciacchi,
Superior General of
the Fathers of St. Joseph,
visits Paraclete.

"You and your faculty are doing a wonderful job here at Paraclete," says Superior General of the Fathers of Saint Joseph to Fr. Ryan.
